## Full Itinerary

---

This Athens total tour combines two of our most popular group tours: [Athens Reloaded Hipster Walk](#) and [Bohemian Tales of the City](#).

Meet the new generation of Athenians and check out how the city centre has transformed into a lively hub due to the locals' creativity throughout the financial crisis. Join us for this absolute hipster tour and discover Athens' modern street food scene, its hip coffee bars and its edgy art and meet some of the people behind this cultural wave.

This is new Athens! On this tour we'll help you capture the best spots of the city and blow up your Instagram account!

You will try unique street food with a twist (Hawaiian sushi made from fresh local Greek fish) to traditional Greek mezedes (local tapas), sipping the new wave of coffee and local spirits such as Mastiha liqueur.

Continuing our walk, we'll head off the beaten track and into back lanes and past bohemian workshops, to see how everyday life is for middle-class Athenians. We'll check out the surprisingly bustling art scene in the city streets — in fact, the street art scene in Athens is one of the biggest in the world, and even the word 'graffiti' comes from the Greek word *grafi*, which means 'written.'

During our Athens tour, we'll see the old mingling with the new, along streets that connect (or divide) the past and the present. Think ancient tombs, factory chimneys, art centres, and hidden courtyards.

Before you go, don't forget to ask your local guide for more tips on what else to see, do and eat during your stay.
