### Full Itinerary

---

Ready to see Bratislava from the water? We hope so! Meet your guide at the riverbank by the SNP bridge, one of the largest hanging bridges in the world, and let this quick but intense adventure on the Danube River begin. Before boarding the boat, you'll get a few tips on how to best enjoy the journey and where to snap the best photos, as well as some safety information. Then it's time to get out on the water!

We'll start by sailing upstream, passing the modern part of the riverbank as we go. Then we'll head back towards the Old Town where we'll get an amazing panorama of Bratislava Castle, SNP bridge and the old town promenade (have your camera ready). The photos you take along the way will be shots that not many visitors capture, making the experience even more memorable. Even locals that take this tour with us find it to be a unique experience because it provides a totally different perspective of the city's most well-known sights.

Following our speedy but ultra-scenic ride, the boat will drop us off at the other side of the river on Tyršovo nábrežie where we'll switch gears — from sightseeing to beer drinking. Our next stop is a local craft brewery, which also happens to be the first

brewery directly on the river Danube. It's a special place where in addition to having a drink, you'll get even more amazing views of beautiful Bratislava. Here you'll have a chance to taste a craft beer brewed right on the spot — on a boat floating on the Danube. We'll also have a snack with our beer because let's face it; beer without a snack is a little like driving without a car!

As you enjoy your locally brewed beer, you'll learn more about the second biggest river in Europe and its history in Bratislava. Your guide will also provide you with local tips for making the most of the rest of your stay in Bratislava. At the end of the tour you will get a small souvenir to remind you of your epic day on the water.
