### **Full Itinerary**

Part bar crawl and part exploration of Bucharest off the beaten path, this is your chance to raise a glass (or three) with locals at some of the city's most interesting drinking establishments, from bars and clubs, to hidden rooftop gardens and alternative music venues.

Come ready for a night to remember — Bucharest locals know how to party. This tour takes you away from the more tourist-trodden areas like Old Town and throws you into the middle of the modern jungle, where everything closes at 5am. Bucharest is filled with cosy little bars and unique places to party or listen to music that you'll only be able to find if you know they exist — something you'll discover on this exciting tour through the city's ever-expanding nightlife scene.

On this alternative pub, bar, and club crawl you'll have the chance to visit colourful clubs, hidden chill-out gardens, unconventional spaces that play live music, underground and rooftop bars, and other alternative places to party that are often hiding in plain sight.

Exploring on foot, we'll check out several different locally loved spots to grab a drink, relax, listen to music, or dance the night away. All of the places we visit are located close to downtown and within walking distance from one another so you don't have to worry about having to roam too far between beverages. Note that drinks aren't included in the tour price, but don't worry — beer is cheap in Bucharest.

The best part about this tour, besides being in the know about Bucharest's best bars, is getting the chance to meet fellow party-goers and checking out the biggest and coolest parties in a city that is ever-changing
