Tour Snapshot

Think Romania is all vampires, communist architecture and rural countryside? We want to let you in on a little secret: our wine is pretty incredible, too! Sitting in the heart of the country, Dealu Mare is the Napa, Bordeaux or Yarra Valley of Romania, home to the ace up our sleeve, the historic *Feteasca Neagra* red grape. We'll drive through the country's rural heart, soaking up the beautiful scenery and we'll stop at two state-of-the-art wineries to try 11 different wines (red, white and rosé) to give you an epic overview of our wine culture. And if that wasn't enough, a visit to one of the best restaurants in the country (for traditional gastronomy) is also on the itinerary. Full Itinerary

Your induction into Romanian wine culture begins with an early morning pick up from your hotel. We'll take a scenic drive in our private minibus for 90 minutes through stunning countryside. Before your eyes you will witness rural life that has changed very little over the centuries. This magical, unspoilt Romania has to be seen to be believed.

Dealu Mare is our destination, an up-and-coming wine region that is starting to gain international recognition for the quality of its wines. Hold on to your wine glasses as you are about to enter serious wine country! Before we start our wine adventure, we'll pop into an enchanting monastery to admire the pretty architecture and pray for the wine Gods to look down upon us favourably by blessing us with some killer wine tastings later on...

By the time we arrive at our first vineyard, your senses will be heightened and your curiosity will be at fever pitch, desperate to try those delicious reds, whites and rosés we've been telling you all about for the last 2 hours!

Your first wine experience will take place at one of our favourite modern wineries. It's family-run by some very passionate people who use all the latest viniculture techniques to ensure that the wine they produce is always a step ahead of the rest. This place is special, not just for their wine offering but for the Estate's lovely architecture and epic countryside panoramas that will be sure to put you in a trance after one or two glasses of vino! Here we will taste 6 extraordinary wines as we talk to the family about daily life on the vineyard.

Approximately 2 hours and more spectacular scenery later, we will arrive at one of Romania's best traditional restaurants and boy do we have a memorable lunch planned for you! Dacian's Farm is an atmospheric spot, designed to revive our long-standing gastronomic heritage, using local ingredients to breathe new life into some classic Romanian dishes. We will tuck into the delicious farmer's platter or a traditional soup to get a real taste of rustic local food. Oh and a glass of wine of course, as this is a wine tour after all...

A shorter drive this time will lead us to our second winery of the day, where we'll taste 5 flavourful blends and we'll learn how the owner's approach to wine cultivation differs from our previous stop. The pièce de résistance will be your visit to the extraordinary winetasting room. Soak it all in and savour those last few drops of grape-y goodness.

After a fabulous day of exploring Dealu Mare, it's now time to sit back and relax as we conclude our experience by returning to Bucharest via more vivid Romanian countryside views, of course.

Your driver and guide will drop you off at your hotel but not before sharing with you some of his or her best recommendations for other things to see, do and eat during your stay in Romania.
