### **Full Itinerary**

Get ready to raise a glass at a few of the best beer bars Budapest has to offer. We start our tour in a one-of-a-kind steampunk bar, with a totally unique vibe and detailed steampunk-style interior to match. Here you'll have your first Hungarian beer and some local snacks to soak up the rest of the beer ahead of us.

Next, we'll explore some of the small streets of the Palace Quarter where you'll get to experience the area's late 19th-century architecture on route to our second beer-hopping spot. It's one of the most popular pubs these days among locals, located on the edge of the Danube and housed in a cavernous former warehouse. Here you'll get some beautiful views of the Buda side overlooking the Danube from the bar's scenic waterside terrace.

It's all about traditional beer-drinking on our next stop as we travel back in time to a Hungarian pub that we call 'kocsma,'

nowadays you usually only find such venues in the countryside. Here we will experience the laid-back, old-style pub scene of days gone by and enjoy some local bar snacks.

Our last stop is a signature bar on the Hungarian craft beer scene. This iconic bar serves an abundance of craft beers on tap, and was recently voted among the best brew pubs in Europe by *The Guardian*.
