Full Itinerary

On this Hue tour we're actually going to take you straight out of Hue and into the countryside. Escape the hustle and bustle of Hue for a peaceful village known for its beautiful architecture, stunning surroundings and friendly locals. After a short safety briefing, you'll hop behind an experienced motorbike driver to head out and enjoy the ocean wind in your hair. This amazing ride will take you out to the villages, winding through quaint towns, and past the majestic Tam Giang Lagoon.

First off, we will meet a local artist at Sinh Village which is famous for "tranh moc ban" (wooden printing-board paintings). Then we'll call in to a farming family to witness their traditional lifestyle and challenge yourself to some farm work in the rice field. We'll reward you with a taste of Hue's most famous specialty snacks and honey tea.

Our Hue motorbike tour continues to a so-called Ghost City, where hundreds of tombs have been built and beautifully decorated. Here you'll learn its secrets and the beliefs and history of the local people.

Before the sun sets, we'll take you to Tam Giang Lagoon where a sampan is waiting to take you out for a fishing harvest. We'll stop by a fish and prawn farm to help the fisherman haul up their catch ready to sell at market. Learn how to throw a fish net and try your luck at catching one in the lagoon.

Our day in the Hue countryside ends with fresh fruits and tea prepared by our local host as we bid farewell to the last rays of

sunshine and ride back into the city.
