Full Itinerary

Ready to see some of Krakow's most iconic sights well before the crowds arrive? This is the tour for you! You'll meet your local guide bright and early and embark on a sightseeing adventure before most visitors are even awake.

You'll start your tour with a visit to Wawel Hill to enjoy the incredible panoramic view from the top. You'll also have the chance to take a look into the picturesque courtyard of Wawel Castle. Then on the way to the Main Square we will visit Collegium Maius, Jagiellonian University's oldest building (and one of the oldest buildings in Kraków), to listen to local stories connected with famous scholars from the past.

Next, we'll be taking you to a hidden gem you don't want to miss – the usually inaccessible courtyard of a medieval monastery where you can go back in time as well as see how the monks' community lives today.

We'll also be exploring the spectacular Main Market Square in the Old Town, which also happens to be Europe's largest medieval square and a UNESCO World Heritage Site. While we're here, we'll also see the beautiful St. Mary's Basilica and Cloth Hall (known as Europe's oldest shopping centre).

With all that walking you're bound to get hungry – but don't worry – we have you covered! During the tour we will also enjoy a traditional Polish breakfast in a local restaurant you would never find without a local by your side!
