## Full Itinerary

---

Blaze a culinary trail through Kuala Lumpur on this delicious food walk. This three-hour, fully interactive KL walking tour takes you to the hidden backstreets and narrow alleys of Kuala Lumpur and its suburbs to experience the very best of local food.

Malaysia is a fascinating melting pot of cultures and there is no better way of experiencing it all than from a plate. We stroll through the Indian influenced neighbourhood of Brickfields, where the architecture, music, and food is all loud and colourful. You'll get to sample delicious Indian dishes served on a banana leaf and seek out sweet vendors for sugary morsels like fresh banana fritter, sticky, sweet *gulab jamun*, or the local favourite, *cendol* (shaved ice, plum sugar, kidney beans and coconut milk jelly).

Our Kuala Lumpur food tour will continue in the comfort of KL's sky-high local transport system, where you'll be swept from the colour of India to the bustle of China. We explore the city's vibrant China Town, where we tuck in to some wonderfully tasty noodles and sample some refreshing lime juice while taking in the action that moves at a quick pace around us.

We'll finish our KL food adventure with a coffee at an old-school coffee house, where we can see the evolution of KL through charming photos of the past. As you relax and take a breather, your local guide will help you plan your afternoon and, more importantly, recommend somewhere great for a fabulous local dinner.
