Full Itinerary

A private tour with Las Vegas Urban Adventures is always a completely custom itinerary, created just for you and your group! A private tour to the Hoover Dam and Boulder City can be from 4 hours - 10 hours, depending on the destination. Pick-up and Drop-off locations are the group's choice. While many visitors to Las Vegas have specific sites they would like to see, many are happy to let our team create a custom itinerary that fits their interests, budget, mobility, and timeline. Typically, tours spend most of their time in the Boulder City / Hoover Dam area, but we welcome any ideas for your dream tour.

No two groups are alike and we will plan a trip tailored to your group's interests, budget, and needs. Below are some sample itineraries to use as inspiration for your perfect tour:

Every tour starts with a drive out into the desert from Las Vegas, after picking you up at your hotel or rental. Along the drive, you'll get to know your guide and hear the history of the Las Vegas and Clark County. You'll also hear about the Nevada desert and the hardy communities that have taken root here.

Half-Day Tour: A half-day tour will be mostly an out-and-back tour. You'll get the chance to take in incredible views of the Dam

from the Boulder Dam Bridge, head up to the Dam, itself, and take in the sights from up close, and explore the walkway across the Dam for the perfect photo op. There will also be time to visit the quaint community of Boulder City - with a thriving downtown scene and the opportunity for a bite to eat.

Full-Day Tour: A full-day tour gives you the chance to explore the Dam, Boulder City, and Las Vegas to the fullest: take the Dam tour with tickets that we can pre-arrange, do some antique shopping in Boulder City, get a little bit of nature time at Lake Mead, or spend some time exploring the sights in Las Vegas - like The Strip, Downtown, the 18b Arts District, or Red Rocks, Your wish is our command!
