Full Itinerary

A private tour with Las Vegas Urban Adventures is always a completely custom itinerary, created just for you and your group! A private city tour of Las Vegas can be from 2 hours - 10 hours, depending on the destination. Pick-up and Drop-off locations are the group's choice. While many visitors to Las Vegas have specific sites they would like to see, many are happy to let our team create a custom itinerary that fits their interests, budget, mobility, and timeline. Typically, tours spend most of their time in and around Las Vegas, but we welcome any ideas for your dream tour.

No two groups are alike and we will plan a trip tailored to your group's interests, budget, and needs. Below are some sample itineraries to use as inspiration for your perfect tour:

Highlights Tour: A tour designed to hit some of Las Vegas' Must-See Spots may include a ride along the iconic Las Vegas Strip to see all of the incredible hotel facades, a stop for a photo at the world-famous Bellagio Fountain or Las Vegas Sign, or spin through Downtown Las Vegas. These 2 or 3-hour-long tours are usually focused on driving, with limited time to explore on foot.

Half-Day Tour: A half-day tour allows more opportunity for you to take full advantage of being on a driving tour. You'll visit all of the Must-See Spots, as well as having time to explore even more famous sights - like checking out the incredible Container Park Downtown, catching the Fremont Street Experience light show, seeing the Venetian Canal, or getting your picture taken with a showgirl. You will also have more time to get out on foot more - maybe to try your luck at a game or two inside your favorite casino!

Full-Day Tour: A full-day tour gives you the chance to explore all of the Must-See spots of Las Vegas to their fullest: take a spin on the High Roller Ferris wheel, go inside The Cannabis Museum or the Pinball Hall of Fame with a ticket we can pre-arrange, grab lunch at a modern food hall on The Strip or at a local spot downtown, check out the awesome local art scene in the 18b neighborhood, or head a little ways out of town to Red Rocks for some incredible natural beauty. Your wish is our command!
