### **Full Itinerary**

Ready for the ultimate day out in Las Vegas? This tour combines two of our favorite Vegas experiences ([Neon Happy Hour & Fremont Street Experience](#), and [Vintage Las Vegas Arts Tour](#)) for one epic adventure on The Strip!

Your tour starts in the heart of the 18b, also known as the Las Vegas Arts District, at Boulder Plaza. Named after the 18 blocks it occupies, 18b is the area of town to find all things vintage, creative, kitschy, odd, and artistic. We're betting you've never seen anything like 18b's public art.

You'll also get a chance to go behind-the-scenes of some more conventional art spaces, like the Arts Factory. This converted warehouse is now home to numerous artists and galleries. Your guide will not only take you through the space but give you the opportunity to meet some local artists or shopkeepers – a real treat!

From the Vegas art scene, the tour shifts gears towards vintage Vegas – with some only-in-Vegas shopping! First, you'll head to the growing antique row along Main Street. If you're in love with retro style, you're going to be in heaven! Absorb the significance of the roots of Las Vegas from your guide, and we'll connect you with old-school Vegas as we bounce from shop to shop. As you shop, your guide will also find the perfect place to stop for a snack.

Next, it's time to jump in a taxi, Uber, or rideshare and head from The Strip to Downtown Las Vegas for some happy hour fun!

We'll start at the El Cortez, a classic hotel and casino originally built in 1941 and with a deep connection to the mafia presence in old Las Vegas. If your guide decides to take you inside for your first drink, you're in for a treat.

Next, you'll turn down East Fremont Street where everywhere you look, you'll see the glow of neon lights. We'll stop for a drink here amidst the area's bars, breweries, pop-up art installations, classic Vegas icons, and some of the best people-watching in the world!

As you pass under the massive of lights of Fremont St., your guide will share the history behind some of the classic neon signs you'll see along the way.

As part of your happy hour experience, you'll enjoy a couple of drinks and a delicious snack with your guide. After drinks (or possibly with drink in hand), we'll pause for a few minutes for a spectacular light show on the canopy strung above the street: the Fremont Street Experience.

At the end of your tour, there are so many options to continue your epic night in Downtown Vegas. Whatever you choose to do, you're sure to feel like a Las Vegas local after spending the day with us!
