Full Itinerary

Ready for the ultimate day out in Las Vegas? This tour combines two of our favorite Vegas experiences ([Las Vegas Casino Games on The Strip: Insider Tips & Tricks](#) and [Only on The Strip: Las Vegas Food Tour](#)) for one epic adventure on The Strip!

Your tour starts outside the iconic Caesar's Palace. After hearing a bit about Vegas' gaming history, you'll head inside one of the mega hotels on The Strip to learn about the ever-present slot machines. Your guide will give you the rundown on this iconic Vegas game, and then you'll have a chance to play them for yourself.

You'll then head over to one of the more sophisticated hotels in town where you'll learn about one of the most exciting and, to some, intimidating games: craps.

Next, it's off to a hotel that embodies vintage Vegas at its best where you'll hear all about the not-so-secret ties of old Las Vegas to the mafia and men like Bugsy Siegel. Your guide will also get a chance to show off a game of her/his choice.

You'll then make your way to a hotel, casino, and shopping and entertainment promenade to experience one of the newest ways to enjoy gambling in Las Vegas. Not relegated to the casino floor, here, gambling gets a truly modern makeover.

After a few hours of gaming it's time to switch gears and do some eating – you're about to enter the world of Las Vegas food! We'll begin at a replica for one of the world's top global gastronomic hubs – the New York New York hotel.

Your first taste of Vegas will tap into that global and cultural influence the Las Vegas food scene has become known for. Who ever thought that you could find the best sushi in the country, a modern food hall, and authentic New York-style pizza, all under the same roof in the Nevada desert?

As we stroll The Strip, your guide will talk about the brand culture that's so prevalent in the city, and your next stop will feature some famous food or drink-related branding magic. You may marvel at towering candy sculptures, check out the foreign equivalents of well-known soda brands, or even witness a taco-lover's dream wedding.

Next up, you'll enjoy a bite or two at one of the coolest spots on The Strip, where art and presentation take center stage.

At our final stop, it's all about unique and creative spaces – something Vegas is well known for. We may visit a Vegas-style beer garden, enjoy a drink with an epic view, or even check out a 4-story bar designed to look like a massive champagne flute!

After an epic day of eating and gambling, your tour will end in the heart of it all, so be sure to ask your guide for recommendations for dinner or any other can't-miss experiences in Las Vegas.
