## Full Itinerary

Pssst... we have a secret. The true beauty of Mallorca is actually hidden to most tourists, who spend all their time on the busy beaches that everyone knows. Instead of following the crowds, we're keeping it super-local on this private Mallorca tour that shows you where to find the real beauty that only locals know. Tag along with us as we trek out to a unique corner of the island, far beyond the massive beaches of the south.

We'll meet you in town, then take a comfortable public bus to reach the beginning of our walk. From there, the trail we'll follow is a historical path, once used by postmen to go from one village to another. As we walk, we'll learn about native Mediterranean plants, and stop to admire the panoramic view from a mountaintop. We'll land in the historical village of Serra Tramuntana and discover Arabic influences in the local architecture and agricultural traditions.

We'll then arrive at a hidden beach — well, hidden to the tourists, that is! Locals love to go here, and we'll join them as we soak up the sun and sea, and dig into a delicious lunch of typical Mallorcan food and drinks, such as *empanadas* and *cocas de trampò*. We'll also dig into some delicious desserts such as *ensaimada* or a *gatò* with almonds... delicious! All of these treats come from the village's historic bakery, and locals love them — so we're pretty sure you'll love them, too!

In the summer months, you can work off your lunch with a dip in the sea; in winter, just lie out in the sun and soak up that easy Mediterranean vibe.

In the afternoon, we'll again board the local bus to take us back into Palma, where you're free to explore on your own.

Please note that we have classed the hike part of this tour with a 'medium' difficulty level. It will take approximately 3 hours (including stops) and is a total of 10 kilometres long, with elevations of 300 metres up and almost 400 metres down.

*(If you'd prefer to travel as part of a regular group experience, please book our [Mallorca from Sky to Sea group tour](#).)*

*This tour is priced for a minimum group size of two travellers. A solo traveller may still book this private experience but will be charged the base rate for two travellers.*
