Full Itinerary

Ready for the ultimate afternoon in Miami? This tour combines two of our favorite Miami experiences ([Little Havana Adventure](#) and [Wynwood Art & Beer](#)) into one epic adventure!

Your fun-filled Miami tour begins in the heart of Miami's Cuban community where we'll check out some historic architectural beauties, as well as a few unique art collections.

Of course, you can't have a Little Havana tour without an authentic Cuban coffee in-hand, so we'll take you for the most delicious dose of caffeine you'll find this side of the Florida Straits. *Cortadito* is Cuban espresso and we'll pair it with a typical Cuban pastry to give you the boost you need to keep moving on your Miami tour!

Next up, another Cuban culture classic: a visit to a classic cigar factory. Witness the art of cigar-rolling from the experts and take in the one-of-a-kind aroma of the shop.

From there, we're off to visit one of the many locally owned art galleries in the neighborhood where you'll meet and hear stories from first-generation Cuban immigrants and learn about the influence of Cuban art in Miami.

We'll pass by the Bay of Pigs monument on route to our favorite local juice bar, where you can quench your thirst with a dose of sugarcane or mango juice.

We'll then take a stroll down SW 8th Street to experience the Caribbean flavour that fills the air, from the Domino Park where locals challenge one another to domino games to the catchy conga music that plays everywhere you go.

Your Little Havana Adventure will end at one of the neighborhood's best watering holes for a taste of a classic mojito. You'll then travel via Lyft or Uber with your guide to the Wynwood Arts District, where the second half of your tour will take place.

You'll begin this part of your tour with a visit to the famous Wynwood Walls and Wynwood Doors, featuring some of Miami's most iconic street art.

From there, we're heading off-the-beaten-path to the Wynwood neighborhood, where you can view iconic murals, mosaics and graffiti art. On 2nd Avenue we'll stop at galleries featuring fine art, pop art and contemporary art from notable artists.

Next, we'll take a break at a trendy brewery next to test out a beer made in-house (or alternatively a non-alcoholic beverage). While you're enjoying your drink, your guide will talk you through the history of beer in Miami, you'll learn about the beer-making process and we'll discuss current local beer culture in Miami.

After the brewery, we'll take you past a local coffee shop that roasts their own coffee, as well as a great neighborhood marketplace (Fridays through Sundays only). We'll also stop for one of the most popular spots in the area for a tasty snack.

More murals, more street art and more people-watching come next as you pass by trendy local shops and head toward the final stop of the day. Enjoy another beer (or non-alcoholic beverage) in one of the best atmospheres in Miami.

We'll bid farewell from there, but if you need any hot Miami suggestions for the rest of your stay or you need help getting back to your accommodation, just ask!
