Full Itinerary

Bienvenido a Miami! Fun, sun, music, sand, palm trees and beautiful people have come to define iconic South Beach, USA. You'll witness the sights and sounds, and your local guide will take you out of the tourist crunch for a bit to check out a perspective of South Beach rarely seen by visitors. Fun is guaranteed and time will fly by as the sun sets on this 2.5-hour tour.

Start your Miami tour at a South Beach classic location on Ocean Drive, in the heart of the action. After meeting your guide, you'll make your way down this photogenic street and hear stories on the history of Miami Beach and how this place evolved into the trendy and stylish place it is today.

Your tour will take a turn inland as your guide introduces you to the local side of this touristy neighborhood. Hear the immigration

story of South Beach, both past and present, along with some legendary boxing history where you'd least expect it.

We hope you've arrived a little hungry because your first few stops on the tour will highlight the best of South Beach Latin food. From a spicy Haitian dish, to some Cuban street food classics, to some coffee at an old-school neighborhood favorite, and/or a beloved South American snack, you'll discover a local side to South Beach you never realized existed.

Your guide will lead you back toward the water and down Collins Street, one of Miami's most historically preserved sections. It's here that you'll discover the classic Art Deco architecture, see the art scene at its finest, and get a feel for the character that uniquely defines Miami Beach.

It'll be just about time to cool down, and what better way than with a refreshing tropical cocktail... next to a pool... on the roof... overlooking the Atlantic Ocean and with views of the Miami skyline?! Book the tour at the right time of year, and you'll be able to catch the sunset from this hidden perch that very few tourists discover on their own.

After this relaxing stop, come back down to Earth and follow your guide to discover a famous mansion (with an infamous history), along with a couple more photo ops along the way.

Then it's time to hit the beach! Kick off your shoes and join the locals on the sand during the best time of day to be there (weather permitting, of course). Feel the sand between your toes as you hear about the beach culture, the history of South Beach, and its local quirks. Take in the evening breeze, and have some fun with a beach activity. Maybe a salsa lesson? A volleyball match? A game of Truth or Dare? (Maybe not!) Your guide will choose his/her favorite, and the fun is guaranteed.

Your tour ends with a beer included at one of the most iconic bars in Miami. Launch your night out in SoBe with some great tunes, a great atmosphere and maybe even a few dance moves.
