Full Itinerary

If the idea of relaxing at a rooftop bar, cocktail in hand, enjoying epic views as far as the eye can see sounds like the perfect way to spend an afternoon – you've come to the right place. This Playa del Carmen tour is all about getting off the beaten path for some rooftop bar-hopping with a local by your side.

The first stop will be a gorgeous rooftop with Instagram-worthy ocean views where you'll enjoy a tequila and mezcal tasting. As you sip, you'll learn the process of tequila and mezcal production, the difference between them, and the best way to enjoy these local spirits. You'll also have a snack that pairs perfectly with tequila and mezcal.

The second rooftop has a laid-back vibe and relaxed atmosphere. Once we get settled, it's time to learn how to make a mezcal cocktail, followed by a dish that will be great company for the drink you just created.

Our last stop will be a rooftop bar that will welcome us with open arms and a tequila cocktail at the ready. You'll also get another snack here as well as a towel so you can enjoy the infinity pool and the amazing views it offers. Whether you decide to take a dip or not, you'll definitely be drinking in style.

The tour will end back at the meeting point, but you have the option of staying at the bar for as long as desired without having to pay for a day pass.
