### **Full Itinerary**

---

Your introduction to nightlife in Pozna? begins in the ?ródka district, with a stunning view of its famous 3D mural. Only a few years ago this area was a no-go zone, isolated from the rest of the town. Nowadays, it's one of the most popular places to eat and drink in the city.

So we will do as the local's do and stop in this foodie hub at a local restaurant to try a seasonal regional soup appetizer.

After whetting our appetites with a liquid starter and giving something back to the local community, it's time to explore more of the city as we take a stroll past the Jordan Bridge to admire glorious views of the skyline. Then, we'll continue on through Cathedral Island to the nearest tram stop. As we travel, your guide will talk a little about the history of the city.

Our next stop, the art nouveau Jeżyce district, is home to alluring architecture and local hipsters. Here we'll fill our stomachs at a small, local restaurant with some beer-friendly food and a drink (of your choice but craft beer is highly recommended).

A walk around the attractive streets of Jeżyce will take us to our next destination, a craft beer joint offering a whole host of beers for your drinking pleasure. Other drinks are available.

Then we're off to admire the delights of the Old Town at dusk, via public transport, and get to grips with its flourishing craft beer culture. We'll pass by the Old Market Square and soak up its charming evening ambience, learning a little of its storied past as we proceed to our final beer tasting of the night, at a popular spot for local beer lovers and tourists alike.

Your tour ends here but before you go, don't forget to ask your local guide for more tips on what else to see and do during your stay in Poznań.
