Full Itinerary

Our Retro Bike Tour is designed for everyone who likes to stay active on holiday. And while we ride, you'll also be discovering local neighbourhoods and beautiful views of the city. The route has been carefully planned to avoid hills and traffic, but not to worry; we'll still manage to squeeze in most of Prague's many highlights. Grab your camera and let's hit the road!

Our first stop will be at the beginning of Letná Park which boasts a magnificent panorama of Prague's city centre. Your guide will point out important landmarks and share interesting facts about Prague and the history of the park.

We'll continue exploring Letná park until we reach its centre: the Metronome. Here we'll hop off our bikes and explore the area a bit on foot. Here, you'll learn about the largest Stalin monument in the world (it once stood right here!) and your guide will be happy to share fascinating stories from the communist era.

After a short break, you will hop back on the bikes and cruise through one of the most expensive parts of Prague, the villa district in Bubene?. In the past, this was the place where well-known architects used to build their homes. Today, there are

numerous embassies here, which offers a perfect opportunity for you to test your flag knowledge.

At the end of the tour, you will ride to Stromovka (Prague's largest park), and make a loop back to Letná park for a goodbye drink in the largest beer garden in the city. It's a great place that locals love coming to after work to socialise over a pint of beer and to enjoy the sunset. Afterwards, it will just be a short ride back to the bike garage where your tour comes to an end.

Before you go, don't forget to tap up your guide for all the latest goings on in our fair city, to ensure you get the most out of your stay in beautiful and buzzy Prague.
