Full Itinerary

Prague is a city that can take months to scratch the surface. Allow us to help you shave loads of time off of that with the Total Prague Private Tour. This tour combines two of our best-selling Prague tours ([Prague Discovery](#) and [Prague Beer and Czech Tapas Tour](#))

) into one epic, private adventure.

We'll start at the border of the Old Town and the New Town, at Prague's Municipal House, the most beautiful Art Nouveau gem in our city. Make your way into the New Town to visit Wenceslas Square, one of Europe's most famous and historical squares, where you'll learn from your passionate local guide about some of the decisive moments in Prague history, from the Prague Spring in 1968 to the Velvet Revolution in 1989.

We'll begin to explore more of Prague's districts, such as the Old Town and its Astronomical Clock, plus hidden back alleys and winding roads to the Charles Bridge. You'll get to see this bridge from two perspectives, on foot and by boat, aboard a replica of a 19th-century sailboat for your cruise down the Vltava River. This is a great chance to snap those perfect Prague photos to take home with you!

Back on dry land, we'll cross the Charles Bridge, admiring the sites and statues as we make our way to the Lesser Quarter. We'll have a stop to taste some local specialties for lunch at a restaurant before we make our way up to the Prague Castle, the largest castle complex in the world. No visit to Prague is complete without wandering through its magnificent structures! Here, you'll peek into the St. Vitus Cathedral to see for yourself why it's the most beautiful and astonishing in the entire country.

From here we'll have a short break, which can be spent at a café with your tour guide or at your hotel (on your own) before we begin to experience a big part of Prague's cultural side: the pub. We'll take you out of the centre and show you how to use public transit and introduce you to some of our favourite pubs around the city. We're constantly updating the places we visit, as Prague's scene is ever-changing. Rest assured, you'll be tasting Czech beer from small and artisanal breweries whilst learning how the process and the ingredients set our beers apart from the rest of the world's. You'll enjoy five different beers from four unique places and local pub food all along the way. This tour isn't all about the beer either; it's a great opportunity to get into our minds, to learn various things about the workings of our country, and to experience it in the best way: with food, drink, and friends new and old.

(If you'd prefer to travel as part of a regular group experience, please book our [Total Prague Discovery: Beer & Tapas group tour](#) .)

This tour is priced for a minimum group size of two travellers. A solo traveller may still book this private experience but will be charged the base rate for two travellers.
