Full Itinerary

Experience Hollywood's "Walk of Fame" by taking in the ambiance of its Golden Era bars and learning about the stars that dot Hollywood Boulevard, both literally and figuratively. The famous and infamous bars along the walk were lunch spots and evening haunts to the celebrities and wannabes of Hollywood's Golden Age, and still appear frequently in film and television. Speakeasies, mobster hangouts and even a "Writer's Room" are the lesser-known histories lodged within these historic hot spots.

Go behind the scenes — behind the beautiful Art Deco facades and bright neon lights — where these bars, lounges and restaurants are host to celebrity lore, ghoststories, and maybe even star sightings.

We'll stroll the boulevard on foot, stopping into bars of note and admiring iconic buildings along the way. We'll enjoy select libations at designated locations and stop for a light snack along the way. By the end of our evening, you'll know where the locals go to eat and drink in Hollywood!
