Want to *really* experience Taipei like a local? This unique Taipei city tour will take you through the main streets and back streets of Taipei, with a local taxi driver as your guide. Sit up beside the driver and learn about a typical day while also observing local Taiwanese people and culture. Chat with passengers and the driver, learn more about Taipei, and even make new friends! Locals are, after all, the best tour guides. Get advice on sites to see, places to eat, and experiences to have, and learn about Taipei, all from those who know best: Taipei's own people!

Unlike a typical car-based tour, this Taipei city tour will take you right into the heart of the community. Local residents can still hail your taxi and ride along with you, enabling you to interact with them and see Taipei from different perspectives. You'll see streets not mentioned in guidebooks and have a true city adventure, filled with characters as well as sites on a tour that's never the same thing twice.

The driver will also stop at a spot that only locals know for a break, so you can try some street snacks before continuing on your Taxi diary.

### **Additional information**

Inclusions: Travel in Taipei city with a taxi for 3 hours, car travel insurance, fuel, street snack.

Exclusions: Gratuities, professional tour guiding.

Your Trip: For your Urban Adventure you will be only one in a tour with taxi driver and other passengers along the way.

Confirmation of booking: If you have your voucher, your booking is confirmed. We'll see you at the start point. Get in touch if you have any concerns or require more information via the email address or phone number (business hours only) on your voucher.

Additional Information: Each taxi allows one traveller maximum — which means if you book the tour with more than one passenger, one of you will sit in a different taxi. Most of our taxi drivers speak little English. But in our experience, language barriers are not a problem. Remember that body language and facial expressions can go a long way when trying to communicate in a foreign language.

Child Policy: Children and teens under 18 years of age are not permitted on this tour.
