Full Itinerary

Ready to take on the busiest area in DC? Skip the crowded sidewalks and slide into our all-electric Red Roadsters to be guided around our nation's capital by a local.

Our National Mall tour starts at the L'Enfant Plaza metro, where our guides take you back to the city's origins and give you some tips for exploring the city on your own. You work your way through the Smithsonian area, discussing the best exhibits in each. Make sure you bring a notebook because you'll want to take notes for later!

Next, breeze past the Washington Monument, Holocaust Museum, and Bureau of Engraving and Printing on your way to our beautiful Tidal Basin, where you're entertained with the stories behind the watery oasis and the Jefferson Memorial.

You also have the opportunity to hop out and explore on your own! We do that at two stops: the FDR and MLK memorials, as well as at the Lincoln Memorial. At both locations, head out on foot with tips and insider information from our guide, and spend some time inside these amazing memorials. Afterward, cruise along the scenic Potomac River with views of Arlington Cemetery before seeing the World War I and World War II memorials.

Continue your journey through American history with a drive past the White House. Finally, feast your eyes on the buildings of Capitol Hill and learn the history behind them. End your tour on a high note by asking your guide for an amazing spot for lunch before exploring the rest of DC on your own.

Our RedRoadsters are the personal and comfortable way to tour the National Mall. Equipped with roll-down clear siding they're the perfect way to sightsee in the rain or wind. Our vehicles are also equipped with warm blankets in the winter for your comfort.
