Full Itinerary

Ready to get cultured? Your Miami tour will take you to some of the city's best spots for street art and design. You'll begin your tour with a visit to the famous Wynwood Walls and Wynwood Doors, featuring some of Miami's most iconic street art.

From there, we're heading off-the-beaten-path to the Wynwood neighborhood, where you can view iconic murals, mosaics and graffiti art. Your Miami city tour will then proceed along 2nd Avenue, stopping at galleries featuring fine art, pop art, and contemporary art from notable artists.

Next, you'll take a break at a trendy brewery to test out a beer made in-house (or alternatively a non-alcoholic beverage). While you're enjoying your drink, your guide will talk you through the history of beer in Miami, you'll learn about the beer-making process, and we'll discuss current local beer culture in Miami.

After the brewery, we'll take you past a local coffee shop that roasts their own coffee, as well as a great neighborhood marketplace (Fridays through Sundays only). We'll also stop for one of the most popular spots in the area for a tasty snack.

More murals, more street art and more people-watching come next as you pass by trendy local shops and head toward the final stop of the day. Enjoy another beer (or non-alcoholic beverage) in one of the best atmospheres in Miami.

We'll bid farewell from there, but if you need any hot Miami suggestions for the rest of your stay, just ask.
