Full Itinerary

Start the tour as we mean to go on, tasting chocolates fit for a queen, in one of London's most luxurious stores. Pick your own flavours from an amazing selection including sea salted caramels and passionfruit ganaches, right through to champagne truffles or even beetroot with red wine vinegar in dark chocolate!

Once we've tasted chocolates that literally come with a royal seal of approval, we'll pass through a stately mansion from the 1600's to discover an original, classic and light french patisserie treat. Choose from Lemon, pistachio, raspberry chocolate, rose cream and more.

Time to wonder through Piccadilly's finest Victoria thoroughfare and on our way towards one of London's best contemporary baking success stories, to indulge in sweet cakes and fondants in a myriad of colours and flavours.

Finally after exploring London's Carnaby Street and its stylish shopping and dining areas, we'll enter our final, secret location.

There to indulge in a tradition as rich as the monarchy. British scones baked upon your arrival and served with clotted cream and high end preserves, all while enjoying exquisite rare blend teas or barista made coffee.
