Full Itinerary

Welcome to Dana Point – Orange County, the most romantic spot in California! After a private 1.5 hour ride from your LA location of choice, we'll arrive at Dana Point where our tour begins with a coffee and a pastry in the arts district.

First up, we'll take a quick meander up to the historical Bluff Top Trail for a birds' eye view of the harbor and stunning views of the Pacific Ocean.

Then we're off to pick up our kayaking gear! Your professional and experienced guide will assist you in getting familiar with your kayak and there will also be an opportunity to change clothes before we get out on the water.

We'll take a jaunt around the harbour and chat about the interesting history and folklore of Dana Point.

After a spot of beach lounging, we'll then head back to hand over our kayaks and grab a bite to eat by the harbour at one of our favourite spots, which offers a wide variety of bagels, sandwiches, burgers and salads.

After lunch we'll take a walk over to the Ocean Institute to learn more about local maritime life. The Institute is an education center and maintains two tall ships, the *Pilgrim* and the *Spirit of Dana Point*, for your viewing pleasure.

We'll then make our way up the Headlands and hike the trails that overlook the Pacific, reaching the Dana Point Nature Interpretive Center, where you'll discover more fascinating facts about our local wildlife.

After a brief visit to the beach we shall make our way back to the starting point. There will be restrooms along the way on the tour and we strongly recommend that you bring a water bottle to refill and some comfortable walking shoes.

At the conclusion of our tour, your private driver will take you back to your accommodation in Los Angeles.

Please note that this is an active tour and the distance covered on foot is approximately about 5 miles (8 kilometers) with approximately 50 yards/ meters elevation gain. The walking is spread out over 6 hours with several breaks. Please also note that it is approximately a 1.5 hour drive between Los Angeles and Orange County.
