Join us for your own private NYC brewery tour to explore the wonderful world of craft beer as we visit several Long Island City (Queens) breweries, sampling their delectable products and discovering everything you need to know about craft beer in the States. This beer tour is a one-stop-shop for all things craft beer related!

We'll learn all about the brewing process, what kind of ingredients go into making a killer pint, what to look out for when distinguishing between different varieties of beer, and how to taste a craft beer like the experts do!
