Full Itinerary

There is no better city in the world to celebrate the holidays than New York City! This private holiday pop-up tour will immerse you into all that this incredible city has to offer during the season. We'll see amazing window displays and beautiful trees, shop in busy holiday markets, and then finish up with a holiday drink at a festive spot.

Your private NYC tour will begin in front of Rockefeller Center and across from St. Patrick's Cathedral, along the famous 5th Avenue, with its department stores and amazing window displays. From there we will make our way to the site of the Rockefeller Tree, where you'll learn a bit of the tree's history – and, of course, pose for a photo-op.

Then we'll check out the amazing Bryant Park Christmas Market and Ice Skating Rink, where we can shop, eat, drink and enjoy ourselves.

Next, we'll hop on the subway to head to the iconic Union Square. You'll be able to browse another great holiday market, which just happens to be the preferred place among locals to buy gifts.

Finally we will finish the tour with a cup of good cheer at a local watering hole all decked out with the trappings of the holiday season.
