Full Itinerary

This tour combines two of our most popular Sydney tours: [When Rum Ran the Rocks](#) and [King's Cross Crime and Passion](#).

Alright, let's get to know Sydney a little better — what do you say?

Wind your way through the back alleyways, up the steps and back in time to uncover the stories and people who shaped this fledgling colony. Hear all about Sydney's oldest pubs, the first breweries, amazing convict tales, and a rebellion over the most precious drink of all... rum!

As Australia's first neighbourhood, the Rocks was literally cut from the sandstone cliffs that rise above Sydney Harbour. On this Sydney walking tour, we carve out a narrative of this neighbourhood's history, starting with the convicts that were forced to settle here and their amazing tales of survival and entrepreneurship.

Along the way, we make pit stops at some classic local pubs in the heart of the Rocks. From there, we explore the once seedy

back alleyways, which today are very safe, of course, but still feature many great photo opportunities.

After a drink at another historic pub, we delve deeper into some of the unique and most off-the-beaten-track parts of the Rocks as we visit an archaeological site like no other in Australia.

There will be a 90 minute break now, where you'll have the opportunity to grab a bite to eat and make your way over to Kings Cross for the second part of our combo tour.

Spend two hours immersed in the tumultuous history of Kings Cross, as we guide you through tales of fame and fortune, murder and drugs, and mysteries and romances on this Sydney tour with a twist!

We'll visit a number of different spots important to the neighbourhood on this Sydney Kings Cross tour. Standing on the site of one of Sydney's greatest unsolved mysteries, you'll hear of the days of the infamous razor gang and sly grog, of the deviants and bohemians, and how the charismatic Cross came to be.

Traditionally home to Sydney's artistic and bohemian lifestyles, the Cross began its life as the centre of sophisticated society before transforming through its host of passionate and deviant lifestyles. Now, Kings Cross is a lively, vibrant, and sometimes controversial Sydney hotspot not to be missed. We will grab a drink at a Kings Cross Bar and settle in for some more enthralling tales.

Our tour ends here but don't forget to ask your local guide for tips on what else to see, do and eat while you're in town.
